

## 5 Female Cricketers Who Are Dominating T20 in 2024

Cricket has evolved significantly over the years, and women's cricket has seen an exponential rise in popularity, talent, and skill. The T20 format, with its fast-paced action and high entertainment quotient, has provided a perfect platform for female cricketers to showcase their abilities. In 2024, several women have not only redefined excellence in T20 cricket but have also captured the hearts of fans globally.

### 5 Female Cricketers Who Are Dominating T20 in 2024

#### 1. Smriti Mandhana

Smriti Mandhana, India's T20 sensation, continues to mesmerize fans with her elegant stroke play and unparalleled consistency. In 2024, her ability to anchor innings while accelerating at the right moments has been a hallmark of her success. With her fearless approach, Mandhana has frequently been the backbone of India's top order.

Her captaincy stint in franchise cricket has further highlighted her cricketing acumen, making her a complete package. Averaging over 40 this year and striking at 135+, Smriti's performance has solidified her as one of the [best T20 players](#) globally. Her off-field demeanor and dedication to the game have also turned her into a role model for aspiring cricketers.

## 2. Alyssa Healy

Australia's Alyssa Healy is a powerhouse in T20 cricket, and 2024 has been no exception. Known for her explosive batting and match-winning knocks, Healy has an uncanny ability to seize moments that matter the most. As a wicketkeeper-batter, she contributes to her team both behind and in front of the stumps.

This year, Healy's performances have included breathtaking centuries and quickfire fifties, proving why she's regarded as one of the most destructive players in the world. Her agility as a wicketkeeper and her ability to turn games around single-handedly have made her an invaluable asset for both Australia and her franchise team.

### **3. Nat Sciver-Brunt**

Nat Sciver-Brunt has been the epitome of reliability in T20 cricket. Hailing from England, she is an all-rounder who consistently delivers with both bat and ball. In 2024, her performances have been nothing short of spectacular. Whether it's rescuing her team from tricky situations or dismantling oppositions with her medium-pace bowling, [Sciver-Brunt has been a standout performer.](#)

What makes her extraordinary is her calm demeanor under pressure. This year, she has scored over 500 runs and taken crucial wickets in crunch games, proving her versatility. Her match awareness and leadership qualities make her a player any team would dream of having.

#### **4. Shafali Verma**

Shafali Verma, India's explosive opener, has continued to [dominate T20 cricket in 2024](#) with her fearless batting. Known for her aggressive approach, Shafali doesn't just aim to score runs—she aims to demoralize bowlers. Her ability to clear boundaries with ease and take advantage of the powerplay overs has made her one of the most dangerous batters in the format.

This year, Shafali has added a layer of maturity to her game, ensuring she can bat through innings when needed. Her performances in high-stakes matches, including critical league and international games, have garnered widespread praise. At just 20, she's already a superstar and is shaping up to be one of the [best T20 players of her generation](#).

## 5. Sophie Devine

Sophie Devine, the New Zealand captain, continues to be a force to reckon with in T20 cricket. In 2024, her hard-hitting batting and consistent bowling have kept her in the spotlight. Devine's leadership on and off the field is exemplary, inspiring her teammates to perform at their best.

With her ability to score quick runs and chip in with important wickets, Devine is the epitome of an all-rounder. This year, she has maintained her strike rate above 140 and has been instrumental in several thrilling victories. Her ability to adapt to different conditions and excel in pressure situations cements her position among the best.

## **The Rising Popularity of Women's T20 Cricket**
